

CO-26008 (OE): Consultant – Senior Expert

N° CO-26008 (OE) / Ref. N° 2025_00677

STATEMENT OF WORK

For more information, please click [here](#).

- University degree (Bachelor or Master Degree) in engineering or project management.
- Demonstrated experience working in a design, project management, quality, or coordination capacity in the construction industry.
- Experience in the overall project control within infrastructure projects: Cost, Scope, Risk and Schedule.
- Experience in communication between project owner, customer and national authorities.
- Expert understanding of Bulgarian construction codes & regulations.
- Expert understanding of Bulgarian health & safety regulations pertaining to construction.
- Familiarity with data interpretation from Microsoft Project or equivalent software (for example Primavera).
- Proficiency in technical report writing.
- Experience in technical management of NATO projects and/or similar experience would be an asset.
- Knowledge of onsite quality assurance control mechanisms.
- Sound digital literacy with experience in using office automation systems and software applications, e.g. Microsoft Office Suite (Word, Excel, and PowerPoint) including technical drawing package.
- Experience implementing infrastructure projects with the Bulgarian Ministry of Defence.
- NATO's two official languages are English and French. The work of this consultancy is mainly conducted in English, therefore fluency in that language is essential and beginner knowledge of French is desirable.
- A professional working level knowledge of the Bulgarian language is required.

POST DETAILS

- This post is deployable. The incumbent of this post may be required to deploy or may be assigned to a remote location, to perform duties (inside or outside a theatre/deployment location) in support of Council approved operations/missions or in support of national or multinational operations/missions authorised by the Agency Supervisory Board of NSPO.
- Contract duration: 12 months
- Level: II
- Daily fee per worked day: 378 EUR

HOW TO APPLY?

All candidates should refer to the [FAQs](#) before applying.

Applications sent via e-mail will be automatically rejected.

All application deadlines are based on the Central European Time (CET) zone.

Position Number:
CO-26008 (OE)

Ref. No.:
2025_00677

Position category:
Engineering

Minimum educational level:
University degree (Bachelor)

Grade:
CLT

Duty Location::
Other location and/or NATO countries as indicated in the PD

Who can apply?:
NATO Civilian Staff and external candidates who are nationals of a NATO member country are invited to apply.

Application Deadline:
18 January 2026

Type of project:
Current publication

Vacancy status:
Receiving applications until deadline

IMPORTANT NOTES

In accordance with the NATO employment regulations, the contract will be established for a 6-month period. The working language will mainly be English. The duty stations will be Afghanistan, Luxembourg or any other area as required.

The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

EMPLOYMENT STATUS REQUIREMENT FOR CURRENT MILITARY OR ADMINISTRATION POST HOLDERS:

Please note that if you currently hold a military or administration post, you will be required to decide, in accordance with your national authorities' regulations, whether to retire or resign from your post, or apply for special leave from your national authorities. If you are invited to a preliminary interview, you will be asked to indicate your preference at that time as well.

IMPORTANT NOTE:

Your application should be submitted in one go and you **will not** be able to modify your data once submitted.
