

LW-124 Chief Aircraft DLM System Management Group

Post N° LW-124/ Ref. No 2024_00057

JOB DESCRIPTION - please click [here](#)

QUALIFICATIONS

General Qualifications

- University degree in a relevant field (preferably aerospace/aviation engineering) equivalent to Master's, or equivalent experience.
- Experience in aircraft maintenance management with particular emphasis on DLM of airframe, airframe components and engines.
- Ability and willingness to work in a multi-functional organization.
- Ability to promote international cooperation and to participate in and chair international meetings.
- Ability to multi-task, manage time and work effectively under pressure while producing high-quality products under short-notice deadlines.
- Ability to facilitate/present persuasively and negotiate effectively to achieve desired outcomes.
- Ability to manage time and work effectively under pressure while producing quality products under short notice deadlines.
- Sound digital literacy with experience in using office automation systems and software applications, e.g. Microsoft Office Suite (Word, Excel, and PowerPoint).

Specific Qualifications

- Good knowledge of aircraft engineering, logistics and life cycle management practices and procedures in a military environment at higher senior officer level or civil service equivalent.
- At least five years of experience in managing support through the life cycle of a system family in industry or in a military environment at senior officer level.
- Engineering background with a thorough knowledge of supply chain logistics.
- Proficiency in technical and administrative writing and in the use of aircraft/equipment technical publications.

LANGUAGE QUALIFICATIONS

NATO's two official languages are English and French. The work of this post is mainly conducted in English, therefore fluency in that language is essential and working knowledge of French is desirable

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

Position Number:
LW-124

Ref. No.:
2024_00057

Position category:
Material Management

Grade:
NATO grade 20:A4

Minimum educational level:
University Degree (Master) in relevant field or equivalent experience

Duty location:
Capellen, Luxembourg

Who can apply?:
NATO Civilian Staff and external candidates who are nationals of a NATO member country are invited to apply.

Application Deadline:
02 October 2024

Vacancy status:
Receiving applications until deadline

- Basic monthly salary: EUR 10 545,80, tax free.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 18 September 2024.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

NSPA as an employer values diverse backgrounds and perspectives and is committed to recruiting and retaining a diverse and talented workforce. NSPA welcomes applications of nationals from all Member States and strongly encourages women to apply.

NSPA COVID MEASURES:

All deployable vacancy announcements include the requirement to be fully vaccinated at the time of receiving the offer of employment. No offer of employment shall be made to deployable candidates who refuse to be vaccinated.

IMPORTANT NOTE:

Your application should be submitted in one go and you **will not** be able to modify your data once submitted.
