Knowledge of the following is required:

- SAP, especially the Material Master area.
- NMCRL (NATO Master Catalogue of References for Logistics)
- Excel and/or database tools allowing fast sorting of large amount of data
- Understanding of Material technical data
- Assisting in the correction and cleaning of Transactional data

## **POST DETAILS**

- Contract duration: 12 months
- Level: III
- Daily fee per worked day: III 339 EUR

## **HOW TO APPLY?**

All candidates should refer to the [FAQs](#) before applying.

Applications sent via e-mail will be automatically rejected.

All application deadlines are based on the Central European Time (CET) zone.

## **IMPORTANT NOTES**

In accordance with the NATO employment regulations, the contract will be established for a 6-month period. The working language will mainly be English. The duty stations will be Afghanistan, Luxembourg or any other area as required.

The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

## **EMPLOYMENT STATUS REQUIREMENT FOR CURRENT MILITARY OR ADMINISTRATION POST HOLDERS:**

Please note that if you currently hold a military or administration post, you will be required to decide, in accordance with your national authorities' regulations, whether to retire or resign from your post, or apply for special leave from your national authorities. If you are invited to a preliminary interview, you will be asked to indicate your preference at that time as well.

## **IMPORTANT NOTE:**

Your application should be submitted in one go and you **will not** be able to modify your data once submitted.
