

LM-290: Technical Officer - PzH2000 Technical Section

Post N° LM-290/ Ref. No 2024_00325

JOB DESCRIPTION - please click [here](#).

- University degree in mechanical engineering or equivalent experience.
- Experience in engineering and life cycle support of complex military equipment, in particular PzH2000 or another armoured system.
- Working knowledge of configuration management and related procedures.
- Demonstrated experience in project management.
- Experience in drafting contractual requirements for engineering and logistics support tasks
- Experience in technical support of the PzH2000 weapon system or similar artillery systems.
- Familiarity with Army technical publications and documentation.
- NATO's two official languages are English and French. The work of this post is mainly conducted in English, therefore fluency in that language is essential and working knowledge of French is desirable.

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary: EUR 7 370.72, tax free.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 26 November 2024.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

Position Number:
LM-290

Ref. No.:
2024_00325

Position category:
Engineering

Grade:
NATO grade 15:A2
