

IT187: Senior Technician (ALIS Technical Support)

Post No IT187/ Ref. No 2026_00228

JOB DESCRIPTION (See link to the full job description in the blue box)

- Complete secondary school or equivalent education.
- Experience in the Information System (IS) field, and more particularly in development and systems administration.
- Good knowledge in the area of eBusiness and web technologies, including the standards applicable and the software/hardware environments and architecture used in implementing them.
- Experience in providing support in an IT/IS customer-oriented support environment.
- Proven ability to prepare, write and maintain technical system documentation.
- Ability to support systems/technical environments managed by other personnel.
- Functional and technical knowledge of the main modules of SAP and practical experience in Advanced Business Application Programming (ABAP/4).
- Experience with the Microsoft development tools: C#, .NET Framework and Structured Query Language (SQL) in an environment consisting of Microsoft and Oracle servers and systems.
- Experience with web technologies, including the security and architecture aspects.
- NATO's official languages are English and French. The work of this post requires fluency in English, while working knowledge of French is desirable.

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 6 weeks plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary:EUR 5, 376.14 tax free - before insurance and pension contributions.

HOW TO APPLY?

All candidates (internal and external) should refer to the **FAQs** before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 21 August 2026.

Applications sent via e-mail will be automatically rejected.

All application deadlines are based on the Central European Time (CET) zone.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

NSPA as an employer values diverse backgrounds and perspectives and is committed to recruiting and retaining a diverse and talented workforce. NSPA welcomes applications of nationals from all Member States and strongly encourages women to apply.

EMPLOYMENT STATUS REQUIREMENT FOR CURRENT MILITARY OR

ADMINISTRATION POST HOLDERS:

Please note that if you currently hold a military or administration post, you will be required to decide, in accordance with your national authorities' regulations, whether to retire or resign from your post, or apply for special leave from your national authorities. If you are invited to a preliminary interview, you will be asked to indicate your preference at that time as well.

IMPORTANT NOTE:

Your application should be submitted in one go and you **will not** be able to modify your data once submitted.
