

OE-18: Senior Technical Officer (Construction Engineering)

Post N° OE-18/ Ref. No 2024_00008

JOB DESCRIPTION - please click [here](#)

- Conducting and/or coordinating engineering/infrastructure studies
- Preparing technical instructions, procedures and concepts
- Establishing, implementing, and coordinating the construction and maintenance plans for NATO Operational Infrastructure
- Preparing Statements of Work (SOWs) which fully define the required work or services requested, including the definition of technical contractual requirements in terms of specifications, construction materials, and workmanship standards
- Providing technical evaluations of contract offers and ensuring obligations towards NATO/NSPA are correctly and promptly fulfilled

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary: EUR 9 083,62 tax free.
- This post is deployable. The incumbent of this post may be required to deploy or may be assigned to a remote location, to perform duties (inside or outside a theatre/deployment location) in support of Council approved operations/missions or in support of national or multinational operations/missions authorised by the Agency Supervisory Board of NSPO.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 12 November 2024.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

Position Number:
OE-18

Ref. No.:
2024_00008

Position category:
Engineering

Grade:
NATO grade 17:A3

Minimum educational level:
University degree (Bachelor)

Duty location:
Capellen, Luxembourg

Who can apply?:
NATO Civilian Staff are invited to apply.
