

# Junior Technician Electronics (Technical Support Section) (LD-123)

Post N° LD-123 / Ref. No. 58/2023

## JOB DESCRIPTION - please click [here](#).

- Complete technical secondary school in electronics or electro-mechanics
- Working experience in electronic or electro-mechanic workshop and related tools.
- Experience in building prototypes for electronic, electro-mechanic and mechanical equipment in accordance with engineering drawings and instructions provided.
- Knowledge and experience of materiel requirements planning and management for a small-scale technical facility.
- Demonstrated experience in soldering electronic components.
- Knowledge of calibration principles and standards.
- NATO's two official languages are English and French. The work of this post is mainly conducted in English, therefore fluency in that language is essential and working knowledge of French is desirable.

## WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

## POST DETAILS

- Basic monthly salary: EUR 5 779.78, tax free.

## HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

**NSPA internal candidates** must submit additionally their latest completed **performance report**.

**NSPA staff members** of the same grade can submit a transfer request till 08 November 2023.

**Applications sent via e-mail will be automatically rejected.**

## IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.
