

CO25001: Technical Expert

N° CO25001 / Ref. N° 2024_00579

STATEMENT OF WORK

For more information, please click [here](#).

- Assist the Project Manager and/or the Technical Officer with the preparation and review of Statements of Work (SOW's), to include technical specifications i.a.w. customer requirements
- Monitor contractors' performance to ensure that technical contractual conditions are fulfilled and propose corrective actions as required
- Provide customer and contractor support in order to come up with a program of regular maintenance and recommendations NSPA may be able to assist with through contract arrangements
- Analyse contractor technical reports and test results to ensure conformity with technical and contractual requirements and make recommendations for further actions

POST DETAILS

- This post is deployable. The incumbent of this post may be required to deploy or may be assigned to a remote location, to perform duties (inside or outside a theatre/deployment location) in support of Council approved operations/missions or in support of national or multinational operations/missions authorised by the Agency Supervisory Board of NSPO.
- Contract duration: 9 months
- Level: III

HOW TO APPLY?

All candidates should refer to the [FAQs](#) before applying.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

In accordance with the NATO employment regulations, the contract will be established for a 9-month period. The working language will mainly be English. The duty stations will be Spain and/or other NSPA approved project locations as required.

The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

NSPA COVID MEASURES:

All deployable vacancy announcements include the requirement to be fully vaccinated at the time of receiving the offer of employment. No offer of employment shall be made to deployable candidates who refuse to be vaccinated.

EMPLOYMENT STATUS REQUIREMENT FOR CURRENT MILITARY OR ADMINISTRATION POST HOLDERS:

Position Number:
CO25001

Ref. No.:
2024_00579

Position category:
Engineering

Grade:
CLT

Minimum educational level:
University degree (Bachelor), University Degree (Master)

Duty location:
Spain and/or other NSPA approved project locations as required
