

LD-106: Senior Technical Officer (GBAD Systems Management Group) – COBRA and VSHORAD)

Post N° LD-106 / Ref. No. 73/2024

JOB DESCRIPTION - please click [here](#).

- University degree in engineering field, preferably in electronics, electro-mechanics or relevant professional experience.
- Experience in managing support through the life cycle of counter-battery radars and/or Surface-to-Air Missile (SAM) systems in industry or in a military environment at HQ level.
- Ability to deal with national representatives at system management level.
- Experience in using project management methods and tools (such as PRINCE2®, PMP).
- Very good knowledge of concepts and principles of GBAD design, operation, support.
- Good knowledge of COBRA systems design and principles.
- Adequate knowledge of CM principles and practices.
- NATO's two official languages are English and French. The work of this post is mainly conducted in English, therefore fluency in that language is essential and working knowledge of French is desirable.

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary: EUR 9 083.62, tax free.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 23 April 2024.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.
