- Complete secondary education, equivalent education, or relevant professional experience.
- Broad experience in designing, operating and maintaining IT eBusiness solutions.
- Experience in an information technology eBusiness application development environment.
- Knowledge of database design, object design and multi-tiered client/server design.
- Demonstrated organisational and interpersonal capabilities to successfully work as a member of multi-national/multi-disciplinary teams (including consultants), dealing with complex, interrelated technical issues.
- Well-developed communication skills (written, oral).
- Proven ability to develop and document Information System (IS) concepts and architectures.

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary: EUR 6 948.26, tax free.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 3 March 2025.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

Position Number:
IT-139

Ref. No.:
2024_00638

Position category:
Information Systems
and Technology

Grade:
NATO grade 14:B6
