

IS-65: System Engineer (Datacenter, Network & IT Security Section)

Post N° IS-65/ Ref. No 2024_00771

JOB DESCRIPTION - please click [here](#).

- University degree in relevant field of study (such as Computer Sciences), an equivalent education, or relevant professional experience.
- Demonstrated organizational and project management abilities so as to successfully work as a member or leader of multi-national/multi-disciplinary teams (including consultants), dealing with complex, interrelated technical issues.
- Very good understanding of the underlying concepts of IS/IT production.
- A good understanding of multinational logistics including in a Support to Military Operations context.
- A very broad understanding of modern ICT, with in-depth knowledge of IT/IS concepts, ideally within the military environment.
- A strong experience in deploying & supporting IT solutions for remote offices in a military environment, including all forms of information communication systems, as well as with the provisioning of OIS.
- NATO's official languages are English and French. The work of this post requires fluency in English, while working knowledge of French is desirable.

WHAT DO WE OFFER?

- Multicultural environment
- Initial three year contract with competitive monthly tax-free salary (subject to Article 19 of the Ottawa agreement on exemption of Taxation)
- Additional benefits for expatriate staff including expatriation and education allowances (where applicable) and additional home leave
- Excellent health coverage
- Great work/life balance
- Generous annual leave of 30 days plus official holidays
- Pension Scheme

POST DETAILS

- Basic monthly salary: EUR 7 599.21, tax free.

HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 20 January 2025.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential
