

CO26129 (OS) - POOL: Consultant – Hands-on Technical Expert (Camp Force Protection, Surveillance and Support Services)

Post No CO26129 (OS) - POOL/ Ref. No 2026_00110

STATEMENT OF WORK - (See link to the full job description in the blue box)

- University degree or equivalent education with certification, award or diploma in electrical, electronical, I/T or equivalent disciplines.
- Experience in technical implementation and management of NATO and/or similar projects in force protection and security areas.
- Good knowledge on Fire Fighting/Fire Protection at military operations environment.
- Experience in complex security systems life cycle management and risk management.
- Experience in security systems vulnerabilities analysis, continuous improvement management, security systems process review and improvement implementation.
- Experience in the administration of contracts and in project management including mobilization and demobilization.
- Knowledge of Quality Assurance (QA) and Risk Management (RM) standards and policies.
- NATO's two official languages are English and French. The work of this consultancy post is mainly conducted in English; therefore, fluency in that language is essential and a beginner knowledge of French is desirable.

POST DETAILS

- This post is deployable. The incumbent of this post may be required to deploy or may be assigned to a remote location, to perform duties (inside or outside a theatre/deployment location) in support of Council approved operations/missions or in support of national or multinational operations/missions authorised by the Agency Supervisory Board of NSPO.
- Contract duration: 12 months
- Level: III
- Daily fee per worked day: 339 EUR

HOW TO APPLY?

All candidates should refer to the [FAQs](#) before applying.

Applications sent via e-mail will be automatically rejected.

All application deadlines are based on the Central European Time (CET) zone.

IMPORTANT NOTES

In accordance with the NATO employment regulations, the contract will be established for a 6-month period. The working language will mainly be English. Other location and/or NATO countries as indicated in the PD.

The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.

EMPLOYMENT STATUS REQUIREMENT FOR CURRENT MILITARY OR ADMINISTRATION POST HOLDERS:

Please note that if you currently hold a military or administration post, you will be required to decide, in accordance with your national authorities' regulations, whether to retire or resign from your post, or apply for special leave from your national authorities. If you are invited to a preliminary interview, you will be asked to indicate your preference at that time as well.

IMPORTANT NOTE:

Your application should be submitted in one go and you **will not** be able to modify your data once submitted.
