HOW TO APPLY?

All candidates (internal and external) should refer to the [FAQs](#) before applying.

NSPA internal candidates must submit additionally their latest completed **performance report**.

NSPA staff members of the same grade can submit a transfer request till 27 January 2025.

Applications sent via e-mail will be automatically rejected.

IMPORTANT NOTES

Qualified redundant NATO civilian candidates of the same grade will be considered in priority.

Interviews are expected to be held approximately six weeks after the application closing date. The Talent Acquisition and Development Office shall let you know in due course the outcome of the screening process.

Moreover, due to the broad interest in NSPA and the large number of potential candidates, telephone or email enquiries cannot be dealt with.

The Agency would appreciate it if addressee countries could provide their support by submitting candidates whose security clearance can be effected (or confirmed) rapidly and who could report for duty as soon as possible after selection.
